T.T.J. THERAPY

T.T.J. products (TRANSMUTABLE ENERGY THERAPY, where J stands for Joule) have applied therapies which go way beyond the phytotherapeutical indications of the plants themselves. It is a well known fact that the plants contain consolidated “**ARCHETYPAL PROPERTIES**” and therefore carry out both mental and physical courses of action simultaneously (the real true psychosomatic conditions of each and every individual).

A single packet of T.T.J. contains 60 operculum of 20 mg.each. (one full cycle of therapy)
